

# EKU DUAL CREDIT –

ADMISSION CRITERIA AND PROCEDURE CHANGES FOR 2022-23

# EKU DUAL CREDIT ADMISSION CRITERIA

## 2022-2023 Admission Criteria

High School Juniors and Seniors

High School Unweighted GPA of 2.5

No College Readiness Scores Required.

Meet Course Pre-requisites

# EKU DUAL CREDIT PROCESSES FOR 2022-2023

## Exciting News!

Current juniors who are enrolled in EKU Dual Credit classes this year (2021-22), will not need to reapply for next year!

For students who did not participate in the EKU Dual Credit Program during 2021-2022, the Fall 2022 EKU Dual Credit application is now available online. This application is located at: <https://dualcredit.eku.edu/how-do-i-apply-0>.

Students who do not plan to enroll in Fall 2022 classes, but who plan to enroll in Spring 2023 classes, should not apply online until they return to high school in the fall.

# EKU DUAL CREDIT ADMISSION PROCESSES FOR 2022-2023

## TRANSCRIPTS

We are encouraging students to request their transcripts through Parchment. They can also be emailed to [dualcredit@eku.edu](mailto:dualcredit@eku.edu)

- Admissions will not be requiring 2021/2022 end-of-year transcripts for Fall 2022 applications.
- Mid-year transcripts with a full slate of classes or prior year, end-of-year transcripts, will be accepted.
- This means that most transcripts ordered through Parchment will meet the application criteria.
- Students are prompted to order transcripts through Parchment while completing the EKU Dual Credit online application.

# TEST SCORES

- Though college readiness test scores (typically ACT) are not required to be admitted into the ECU Dual Credit Program, test scores are required to meet pre-requisites.
  - ENG 101 – College Readiness in English and Reading or a 3.0 unweighted GPA
  - MAT 114 – 22 Math ACT sub-score
  - STA 270 – ACT Math sub-score of 23 or higher
  - PSY 200 – ~~College Readiness in Reading~~—No pre-requisites.
  - Others as required. Please contact our office if you have questions.
- The 2022-22 Academic Readiness Course Placement Equivalency Chart can be found [at: www.testing.ecu.edu](http://www.testing.ecu.edu)  
[This chart may be updated prior to the start of the 2022-2023 academic year.](#)

## EKU Academic Readiness & Course Placement Indicators for English + Reading & Math ~ AY 2020-2021

Beginning Fall 2020, ECU will use these indicators of readiness as established by the Council on Postsecondary Education as measure of college-level Academic Readiness. Upon admission to a public postsecondary institution, students scoring at or above the established benchmarks will not be required to complete Academic Readiness courses or corresponding co-requisite support courses. However, all students admitted to ECU will be allowed entry into college credit-bearing Academic Readiness coursework that counts toward credit requirements and degree completion. *Italicized notes indicate when a student should be placed into an Academic Readiness course.* Advisors and mentors are encouraged to steer students toward ECU placement testing, as needed, if students have not already completed those assessments. Remember: All admitted or enrolled ECU students may attempt ECU Placement Testing twice, even if they are attempting to place out of a failed Academic Readiness class.

### ENGLISH and READING

Area	ACT Score	EKU Placement Test	GED College Readiness	KYOTE	SAT Score
<b>English Composition</b> ENG 101 or ENG101R*	English 101 = 18 or higher + Reading 20 or higher <i>(Score 17 or below = ENG101R)</i>	ECU Writing Placement Exam Score 101 = ENG 101 placement <i>Score 101R = ENG 101R (even if the student has no Academic Readiness Reading need)</i>	Reasoning through the Language Arts 165 or higher = ENG 101 <i>(Score 164 or below = ENG 101R)</i>	Writing 6 or higher <i>(Score 5 or below = ENG101R)</i>	Evidence-Based Reading + Writing 480 or higher or 25 on the Writing + Language Test <i>(Score 479 or below = ENG101R)</i>
<b>Reading</b> ENG 101 or ENG101R*	ENG 101 = Reading 20 or higher + English 18 or higher <i>(Score 19 or below = ENG101R)</i>	Nelson-Denney Reading Test Score 31 or higher + *no* English requirement = ENG 101 <i>Score 30 or below = ENG 101R (even if the student has no Academic Readiness English need)</i>	Reasoning through the Language Arts 165 or higher = ENG 101 <i>(Score 164 or below = ENG 101R)</i>	Reading 20 or higher <i>(Score 19 or below = ENG 101R)</i>	Evidence-Based Reading + Writing 480 or higher or 25 or higher on the Reading Test <i>(Score 479 or below = ENG101R)</i>

Message from the Council on Postsecondary Education: Per the College Readiness Indicators Work Group, all exam scores remain an indicator of academic readiness for a minimum of twelve (12) months from the date of administration. Individual institutions may extend the length of time scores remain indicators of academic readiness. *However, an institution shall not determine academic readiness using scores received from exams taken more than four (4) years prior. Other exams, prior college coursework, and placement exams may be used for course placement after a student is admitted to a postsecondary institution.*

*\*The English Department is introducing a Directed Self Placement process for students in Summer 2020, effective for Fall 2020 enrollment. Details, including appropriate placement for selected students, are available from Heather Davis ([heather.davis@eku.edu](mailto:heather.davis@eku.edu)) or Jill Parrott ([jill.parrott@eku.edu](mailto:jill.parrott@eku.edu)).*

# ADDITIONAL TESTING

- Using PSAT scores to meet course pre-requisites. We are looking into equivalencies at this time.
  
- EKU Placement Tests - <http://testing.eku.edu/>.
  - Placement testing gives students the opportunity to assess their basic skills proficiency in English composition, reading, or mathematics. If you have an ACT score less than 18 in English, less than 19 in mathematics, or less than 20 in reading, students will need to take placement testing if they don't have ACT scores and need to meet pre-requisites.
  - Placement testing is also available to students who need to take MAT 112/114 (College Algebra) but have not attained a 22 ACT math subscore.
  - *Placement tests are free, if a placement test is proctored, there are some minor charges involved.*

# TIPS TO MAKE YOUR LIFE EASIER!

Most schools prefer to call all interested students to a computer lab and have them apply at once. Some schools have students sign rosters indicating their intent to apply as well. Please note that the online application is very simple and should take no longer than 5 minutes. Students should be able to complete this application without assistance. It does help if you used One-Call, Remind or similar technology to encourage your students to apply.

Students should go to <http://dualcredit.eku.edu/how-do-i-apply-0> and hit the Apply Now button.

Students should select the Dual Credit application and create an account. When given the choice, students should apply as ECU Dual Credit Students, NOT as High School Special Students, freshmen or graduate students.

The ECU Dual Credit priority consideration application deadline for Fall 2022 is June 15<sup>th</sup>, and we will accept the June ACT scores. Most high schools like to set their own internal deadlines that fall prior to the end of their school year (possibly May 1<sup>st</sup> or later depending upon high school schedules). Please note, in an effort to increase student success, late applications and enrollments are being highly discouraged as we move forward. Should it become necessary, due to COVID-19, we will work with your schools and ECU Admissions to adjust deadlines.

# TUITION

EKU Dual Credit is a Participating Post-Secondary Institution in the KY State Dual Credit Scholarship Program.

Tuition will follow the KY State Dual Credit Scholarship Program guidelines.

For the 2022-2023 Academic Year, the cost of tuition is \$91.00 per credit hour.
